

PERMATIMBER®

Alternative, Clever

CX Original Cladding

PermaTimber® Traditional Cladding Original is a durable, low-maintenance composite cladding. It's lighter than other natural materials making installation faster and easier. A full set of finishing trims ensures a seamless, professional finish, offering both aesthetic appeal and practical benefits for any project.

LOW MAINTENANCE. PRE- FINISHED. CLADDING

Please ensure you download and read a copy of the **PermaTimber® Traditional Cladding Original** Installation guide prior to, and during your installation. Failure to do so will void your warranty.

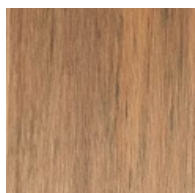

You can download the guide from our website by scanning the QR Code or visiting www.permacomposites.com
